

How to Play:

**Agriculture...
It's What's for Lunch!**

Recommended for Ages:

7-11 years old

Number of Players:

2 to 4

Preparations:

**Separate all of the food
ingredient icons.**

Directions:

**Place all of the separated
food ingredients face down
in a group. Each player selects
a recipe card. Player 1 reads the
card and selects one of the food
ingredients. If the ingredient
matches the recipe the player
keeps the ingredient. If there is
no match the ingredient is placed
face down, the next player takes
their turn. The first player to
collect all of the ingredients
in their recipe wins.**

Note:

**Each lunch box contains
two complete game sets.**
