

PEN SPONSORSHIP

Support the Future of the Fair One Pen at a Time

Pen sponsorship is preserving one of the most historic landmarks in the City of Frederick and allows it to expand its services to the community!

Contributing to our capital fund Pen Sponsorship aids in our community's agricultural economic health and well-being, supports agricultural education programs and ensures facility upgrades.

Your donation helps upgrade our livestock facilities by funding portable livestock pens to allow for better ventilation for the animals, while allowing for better viewing by the public during the fair, and other agriculture related events throughout the year.
