

Hello everyone!

Please find all the instructions you'll need for registrations and sign-up below. As always, don't hesitate to reach out with any questions!

Weigh-ins:

June weigh-ins will be here before you know it. Please find the attached livestock registration form. This is to be completed for all market swine, goats, and lambs. These are not for registered breeding animals. Please fill out one form per species category. You will need to submit a completed **scanned copy (PDF format)** directly to cjwolf@thegreatfrederickfair.com by May 25th. We ask that you do not submit pictures but scan the forms back due to resolution issues when printing. You are also welcome to drop them off at the fair office 8:30am-4pm. If you need any assistance, please reach out to me and I will be happy to help.

Swine Weigh-In:

Swine weigh-in is Saturday June 6th from 7:30am – 4pm. Please use the link below to sign up for a time slot. Sign-ups will close May 25th so please register before then.

- Bred & Owned paperwork is **required** at weigh-in if you want to show in the bred & owned market class. GFF records OR 4-H breeding records (from your record book) are acceptable. A blank GFF bred & owned form is attached to this email. This is only required for your market hogs, not breeding hogs.

Steps to sign-up through signupgenius: (If you have any questions or trouble with registering, reach out to me)

1. Click on the link: <https://www.signupgenius.com/go/10C0E49ACAC2CA6F4C70-63823664-swine>
2. Pick the time slot you would like (there are 4-5 slots *(one per trailer)* available per 30 minutes) and click on “submit and sign up” on the bottom of the page.
3. Fill in your information including all family names that will be arriving on your trailer. (If you have 12 or more hogs coming on your trailer, please change the “quantity” within your sign-up to 2. This will sign you up for 2 of the 4/5 available slots within that 30 minutes. This will allow us more time to accommodate the larger number of animals you are bringing.)

****If you are only signing up for 1 of the slots within the time frame, please leave the “quantity” at 1.****

4. Fill in all required fields and click “sign up now” at the bottom of the page.
5. Once you have registered you will receive an email confirmation.

****Swine REMINDER:** All market hogs coming to weigh-in **MUST** be **fully healed** from ear notching and castration. All market hogs are required to be ear notched and castrated and weigh no more than 140lbs on the 6th. If you need assistance, please reach out to me or the superintendents so we can help.

Sheep & Goat Weigh-in:

Sheep & Goat weigh-in will be Monday, June 8th from 4:30pm – 7:30pm. There is no sign-up for this; it will be first come first serve.

- Bred & Owned paperwork is **required** at weigh-in if you want to show in the bred & owned market class. GFF records OR 4-H breeding records (from your record book) are acceptable. A blank GFF bred & owned form is attached to this email. This is only required for your market lambs/goats, not breeding animals.

****Lamb/Goat REMINDER:** Make sure you appropriately assign your animals as “market or commercial” on the registration forms. Animals will be tagged according to your papers. Once they are tagged, they will ONLY be eligible to show in the appropriate breeding/market shows both here and MD State Fair. They cannot be shown as both market and breeding, only one or the other. A commercial lamb/goat is classified as a “non-registered breeding animal” meaning they do not have breed registration papers from respective breed associations. If you have questions about this please reach out. All commercial breeding animals must be tagged with our GFF Youth Livestock tag. If you need assistance, please reach out to me or the superintendents so we can help.
