Dear Past and Future Supporters of The Great Frederick Fair Youth Livestock Sale,

We are pleased to announce the 2026 Great Frederick Fair Youth Livestock Sale, taking place on Saturday, September 26, 2026! The sale will be held in person at the South Side Tire & Auto Beef Show Arena (Building 18), with online bidding available through Elevated Auction Co. at www.ElevatedAuctionCo.com. We invite you, your family, and your business to mark your calendars and plan to attend this impactful event!

The Great Frederick Fair is deeply committed to supporting and inspiring the next generation through hands-on agricultural experiences. The Fair Board and staff have worked tirelessly to create meaningful opportunities for youth to grow, lead, and thrive—and the livestock sale is a powerful example of that mission in action.

Thanks to your continued generosity, 2025 was another record-breaking year. The Youth Livestock Sale grossed an incredible \$1,034,794, with **100% of the proceeds going directly to the youth exhibitors**. This life-changing support would not be possible without our loyal community of buyers, donors, and advocates like you.

As we prepare for the 2026 Fair, we hope you'll join us once again in making a difference. Whether you're a longtime buyer or a first-time supporter, your participation truly matters.

Can't purchase an animal but still want to help? Consider giving through our add-on program—a simple and impactful way to contribute directly to a youth's sale total. Add-ons must be submitted before the conclusion of the auction, and every dollar goes directly to the exhibitor. For a complete buyers guide and more information on how to support the youth visit www.thegreatfrederickfair.com/support.

On behalf of The Great Frederick Fair Youth Livestock Sale Committee, we thank you for your past support and invite you to attend the sale on Saturday, September 26th. The auction will begin at 9:00 AM with Turkeys and Rabbits and immediately follow with Beef, Sheep, Swine, and Goats.

We look forward to another memorable year of supporting youth in agriculture—and we're grateful to have you by our side.

Warm regards,

Carrie Wivell Wolf, Programs Coordinator
